SUBJECT: Suspended and Terminated Information Technology Projects

Per Section 701(11) and Section 701(9) of the 2021-23 operating and transportation budgets, the Office of the Chief Information Officer (OCIO) is submitting this report of information technology (IT) projects under OCIO oversight that were suspended or terminated between Jan. 1, 2021 and June 30, 2021.

During this reporting period one IT project was suspended. The Liquor and Cannabis Board suspended the (LCB) Systems Modernization Project (SMP) due to insufficient funds to complete the full scope of the project. SMP is pursuing additional funds through a supplemental budget request.

The OCIO considers a suspended project ready to resume when it has a current technology budget and an approved, amended information technology investment plan.

No projects subject to Section 701 were terminated.

For more information, please contact Nicole Simpkinson, Assistant Director, Office of the Chief Information Officer (OCIO) at 360-407-8735 or by email at Nicole.Simpkinson@ocio.wa.gov.
