

**Section 152(9) of the 2019-21 Operating Budget (Chapter 415, Laws of 2019):**

(9) \$750,000 of the general fund—state appropriation for fiscal year 2020 is provided for the office to conduct a statewide cloud computing readiness assessment to prepare for the migration of core services to cloud services, including ways it can leverage cloud computing to reduce costs. The assessment must:

- a) Inventory state agency assets, associated service contracts, and other relevant information;
- b) Identify impacts to state agency staffing resulting from the migration to cloud computing including:
  - i. Skill gaps between current on-premises computing practices and how cloud services are procured, secured, administered, maintained, and developed; and
  - ii. Necessary retraining and ongoing training and development to ensure state agency staff maintain the skills necessary to effectively maintain information security and understand changes to enterprise architectures;
- c) Identify additional resources needed by the agency to enable sufficient cloud migration support to state agencies; and
- d) Be submitted as a report, by June 30, 2020, to the governor and the appropriate committees of the legislature that summarizes statewide cloud migration readiness and makes recommendations for migration goals.
